

Bulldog Brags and Blasts from Superintendent Chad Hall

- The Veterans Day assembly was a great time of paying respect to those who have served. The work of students and staff involved was top notch.
- Be on the lookout for a new passenger van and bus. We will provide a pic to the Register when they are both on campus.
- The round balls and wrestling mats are out. Make plans to come out and support the squads
- In this season that lends itself to giving thanks, please know that we at LPS are grateful for our community and your support.
