Band party after the last rehearsal! Time/location TBA

Make sure you have comfortable tennis shoes to wear during marching rehearsals, no flip flops or sandals! They will hurt your feet when you march and will most likely trip you.

Bring your own water to rehearsal! It is very important to stay hydrated. Don't rely on someone else bringing enough to share.

Attendance will be taken each day of camp, it is extremely important to have as many students there as possible every day. Make plans now! You get letter points for attendance during summer band camp. We can help arrange for carpools if necessary.
