

Welcome to Lexington Middle School!

Providing excellence in education and a positive environment for all of our students, is something that every adult in our building is committed to doing. We achieve this by having highly qualified professional educators and support personnel, and by putting our kids FIRST in everything we do. To that end, we are committed to providing our students with as many opportunities to succeed as possible—through Academics, the Arts, Athletics, and other Extra Curricular Activities.

Parents, we thank you for sharing your kids with us and we invite you to be a part of our team! When parents and teachers work together, there is no denying it makes a difference. Please know that we highly value home/school communication here at LMS. It is *vital* and plays an integral role in your student's success. We encourage you to contact us if/when the need arises, and to stay “in the know” about your child's studies, assignments, assessments, and school activities. We extend a special, year-long invitation to our families to join us at school activities and events whenever possible. We want...we need...and we value your involvement and support in your child's education. Your active participation is key to the success of your young Bulldog during his/her middle school years. We look forward to a very positive and productive year together!

Our vision is to *Embrace Opportunities, Unlock Potential, and Inspire Excellence*. When we accomplish these things, we will see our students succeed and more, give them a foundation to build on for years to come. As we work toward these goals, we make this pledge to you, our students and parents, that we will constantly strive to find ways to improve and grow.

GO BULLDOGS!!!!!!!!!!

Dale Berglan
MS Principal
