

## Points of Dawg Pride from Superintendent Chad Hall

- It's been great to see our students and their families at enrollment and open house. We hope you had a good time this summer, and are excited about the school year bringing its own promise of opportunity and reward.
- With softballs early start and Meet the Bulldogs happening, sporting events are well underway. Come out and support our athletes! It is appreciated!
- Some early 2019 bond allocations will soon result in increased technology access at every grade level, new curriculum for reading and writing, and instrument replacement and additions. Thank you voters!
