

IMPORTANT INFORMATION REGARDING SCHOOL SCHEDULE, BUS SCHEDULE

This is an extended message concerning the remainder of the school year.

In order to meet the minimum requirements of 1,080 hours of instruction, we have adjusted both our school calendar and start and end times.

School will be in session for 25 more days beginning April 16th and ending May 18th.

Beginning this Monday, April 16th, our New Start and End Times are as follows:

Drop-off will begin at 7:20 a.m. The cafeteria will also be open at 7:20 for breakfast.

Classes will begin at 7:45 a.m. This is NOT a tardy bell. Students need to be in class in their seats ready to learn at 7:45 a.m.

The Final Bell of the day for the Elementary will be at 3:25 p.m.

The Final Middle School bell will be at 3:33 p.m.

The Final High School Bell will be at 3:35 p.m.

Students who ride the bus should plan to be at their bus stop 10 minutes earlier than their normal pick-up time. Parents can expect their children 25 minutes later than their normal drop-off time at the end of the day.

Thank you.
